

WANDS² POLES

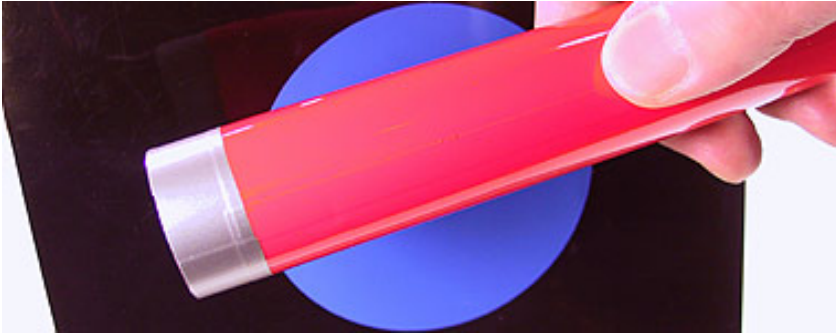

Wayne Rogers 2001

Loads of comedy possibilities with Wayne Rogers' WANDS² POLES Two coloured wands change places under suspicious circumstances. Suddenly there's two Red. No, wait, there's two Blue. . . let's start again. Finally it works as planned. One last time . . . Whoops, wrong wands. They've changed to Yellow and Green . . .! And finally when you think it's all over, another big surprise. The production of two five foot poles made up of all 4 colours!

WANDS² POLES comes complete with bags, wands, gimmicks and the two five foot Poles.
